

Show Me the Meaning of Being Lonely

[Anna Ternheim](#)

So many words for the broken heart
It's hard to see in a crimson love
So hard to breathe
Walk with me, and maybe
Nights of light so soon become
Wild and free I could feel the sun
Your every wish will be done
They tell me Show me the meaning of being lonely
Is this the feeling I need to walk with
Tell me why I can't be there where you are
There's something missing in my heart
Life goes on as it never ends
Eyes of stone observe the trends
They never say forever gaze if only
Guilty roads to an endless love
There's no control
Are you with me now
Your every wish will be done Show me the meaning of being lonely
Is this the feeling I need to walk with
Tell me why I can't be there where you are
There's something missing in my heart There's nowhere to run
I have no place to go
Surrender my heart, my body, and soul
How could it be
You're asking me
To feel the things you never
Show me the meaning of being lonely
Is this the feeling I need to walk with
Tell me why I can't be there where you are
There's something missing in my heart
There's something missing in my heart
