Indulge (Acoustic)

JONES

The way that you stare, it's all addictive
the way that you breathe, I can't resist it
so when you talk, I can't help but listen
I feel life is sound, you could say I'm obsessive
I'm in danger but I 'm saved of the thrill of you
I know that it's wrong but I wanna indulge in you
I've taken too much cause I, I need every touch from you
I take it so strong cause I, I've waited so long for you
I wanna indulge in you
you, i wanna indulge in you
you
the light in your eye, when the whole world is sleeping
the strenght of you mind, I'm so addicted
the way that you stand, I can't resist it
and when you smile you hold me like a prison
I know that it's wrong but I wanna indulge in you
I've taken too much cause I, I need every touch from you
I take it so strong cause I, I've waited so long for you
I wanna indulge in you
you,
I wanna indulge in you
you
I wanna indulge in
you
I wanna indulge in
you
I wanna indulge
I know that it's wrong but I wanna indulge in you
I've taken too much cause I, I need every touch from you
I take it so strong cause I, I've waited so long for you
I wanna indulge in you
