

I Never Knew

Lester Young & Charlie Christian

I knew that we would fall in love,
I hate to say it, but I told you so,
I felt it when you caught my eye
Looked down deep in my soul.
Something in me told me you were mine,
And I don't need to know the reason why
'cause I felt something strange when you walked by
From my head to the tips of my toes
I'm in love, I just know.
I feel it everywhere where I go
You got me singing whoo hoo
I feel it everywhere that I go,
I toul you so, I toul you so.
