Stood Up

Isyss

Ya got me waiting in the dark of night
Am I being stood up 'cause I'm lookin' right
Ya got me sittin' like a fool ya gonna pick me up
Or are ya playin' with my mind am I stood up
Ya got me waiting in the dark of night
Am I being stood up 'cause I'm lookin right
Ya got me sittin' like a fool ya gonna pick me up
Or are ya playin' with my mind am I stood upAt ten o'clock you called my phone
To tell me that you were leaving home
Ya said you're on ya way now it's 12 08
Ya pro-cras-tinatin' and ain't called
Now I been sittin' here for too damn long
I'm dressed up and I'm ready to go
But you're not answering
Your cell phone and
Ya know another man can get the job doneYou don't seem to know what a girl has to do
To be ready just for you
And to get me beautiful and ya not even comin' through
Just let me knowYa got me waiting in the dark of night
Am I being stood up 'cause I'm lookin' right
Ya got me sittin' like a fool ya gonna pick me up
Or are ya playin' with my mind am I stood up
Ya got me waiting in the dark of night
Am I being stood up 'cause I'm lookin right
Ya got me sittin' like a fool ya gonna pick me up
Or are ya playin' with my mind am I stood upIt's 12 30 I'm about to bounce
I'm looking lovely but you're stressin' me out
I'm jumpin' up when I
I see a car passin'
And I'm so pissed that I'm about to shout
Ya flaky ways have got me hangin' from
A string and I don't really think that's funny
If you wasn't comin' then
Ya shoulda told me and
I woulda made plans with my girlsYou don't seem to know what a girl has to do
To be ready just for you
And to get me beautiful and ya not even comin' through
Just let me knowYa got me waiting in the dark of night
Am I being stood up 'cause I'm lookin' right

Ya got me sittin' like a fool ya gonna pick me up
Or are ya playin' with my mind am I stood up
Ya got me waiting in the dark of night
Am I being stood up 'cause I'm lookin right
Ya got me sittin' like a fool ya gonna pick me up
Or are ya playin' with my mind am I stood upYa got me waiting in the dark of night
Am I being stood up 'cause I'm lookin' right
Ya got me sittin' like a fool ya gonna pick me up
Or are ya playin' with my mind am I stood up
Ya got me waiting in the dark of night
Am I being stood up 'cause I'm lookin right
Ya got me sittin' like a fool ya gonna pick me up
Or are ya playin' with my mind am I stood up
