Don't Wanna Know

Bobby Bare Jr.

There's a calmness in the way you ask
Don't want to know I don't want to know
There's a baby crying in your lap
Don't want to know I don't want to knowYou keep looking out the door
And I keep staring at the floorI saw the message that you wrote
I don't want to know I didn't want to know
Georgia is too far from home
I don't want to know I don't want to knowOur baby thinks you live in a phone
He just don't know he just don't know
There's slobber all over the phone
He just don't know he just don't know
Please come back to Tennessee
Second best is good enough for me
