

# Downtown Life

## Hall & Oates

Do it downtown in from the outside  
Yeah, find the scene & work it brother  
Moving through sound  
City's like wild life Overgrown & living undercover  
Wound up so tight  
We love the Downtown Life  
Driftin' through the day Waiting for the night, oh  
Downtown Life. it feels so right  
It keeps me hangin' on  
Velvet Lou was a neighbor of mine Now he walks the dog in Jersey, Brother  
Yuppies in black doin' white collar crime  
Scared away the. local color  
But they can't steal the night We love the Downtown Life  
Driftin' through the day  
Waiting for the night, oh  
Downtown Life it feels so right  
It keeps me hangin' on Downtown Life  
Drifting through the night  
Waiting for the lite to come  
Downtown Life it feels so right It keeps me hangin' on  
My baby knows she's got to go for this kind of life  
`Cause city love can't stand. to see the sunlite  
Dawn patrol better leave me alone `Cause I can only take it for so long  
Going down isn't hard to do  
The King of Clubs and. Queen of Hearts fall too  
She says, "If you believe this is only a lonely time, Stay at home boys the blues are lost on you"  
Ain't it true  
We love the Downtown Life  
Drifting through the day Waiting for the night, oh  
Downtown Life it feels so right  
It keeps me hangin' on  
Downtown Life Drifting through the night  
Waiting for the night to come  
Downtown Life it feels so right  
It keeps me hangin' on
