

Mr. Kiss Kiss Bang Bang

Dionne Warwick

He's tall and he's dark
And like a shark, he looks for trouble
That's why the zero's double
Mr Kiss Kiss Bang Bang He's suave and he's smooth
And he can sooth you like vanilla
The gentleman's a killer
Mr Kiss Kiss Bang Bang Damoiselles and danger
Have filled the stranger's past
Like a knife, he cuts through life
Like everyday's the last He's fast and he's cool
He's from the school that loves and leaves them
A pity if it grieves 'em
Mr Kiss Kiss Bang Bang Damoiselles and danger
Have filled the stranger's past
Like a knife, he cuts through life
Like everyday's the last He's fast and he's cool
He's from the school that loves and leaves them
A pity if it grieves 'em
Mr Kiss Kiss Bang Bang
