-
Donâ€™t be sad no no no, Youâ€™re not alone no no no
You always became A light for me
Hold my hand, Come and lean on me
Iâ€™ll always be your strength

You came to me When I was struggling
You softly came to me And kissed me
You embraced me like magic
I never felt like this before

Are things hard for you too sometimes?
Why are you being sad by yourself?
When the lights turn off one by one
Iâ€™ll shine on you

Donâ€™t be sad no no no, Youâ€™re not alone no no no
You always became A light for me
Hold my hand, Come and lean on me
Iâ€™ll always be your strength

You had so many dreams And when you were feeling nervous
You hoped for a miracle Out of the many hardships
Iâ€™ve never seen you being shaken
By the continuous wind

Did you hold it in for a long time?
Why are you hanging your head down low without a word?
When people start to leave you one by one in this world
Iâ€™ll shine on you

Donâ€™t be sad no no no, Youâ€™re not alone no no no

You always became A light for me
Hold my hand, Come and lean on me
Iâ€™ll always be your strength

You always were a strength to me
You always believed in me
When everyone else tells you to stop
Iâ€™ll become the last love
That you can look upon

Donâ€™t be sad no no no, Youâ€™re not alone no no no
You always became A light for me
Hold my hand, Come and lean on me
Iâ€™ll always be your strength
