How Does It Feel to Be Back

Daryl Hall & John Oates

Please return, come back, I've been saving your place
Too much time has elapsed, unreality, memory erases
And the rules and the rights and the wrongs don't apply
Far apart, so together is destiny weeded to fateNow, I write the script, you direct my dreams
We're along on the beach for the passionate scene
And it's a drag to wake up with you, saying to meHow does it feel to be back?
How does it feel to be back?
How does it feel to be back in my arms again?I'm bored and alone and it's weakening me
One night out and I'm looking for trouble and finding it's easy
You know we all make mistakes and we all need the touch of a hand
In the right kind of place, in a time of needI could pick up the phone, but the talk ain't cheap
I pick up on the thoughts that you're sending to me
And I wait for the day I hear you saying to meI say baby, how does it feel to be back?
How does it feel to be back?
How does it feel to be back in my arms again?
How does it feel to be back in my arms again?And in my dreams I hear you saying to me
Saying baby, how does it feel to be back?
How does it feel to be back?
How does it feel to be back in my arms again?
How does it feel to be back in my arms again?
How does it feel to be back in my arms again?How does it feel to be back?
How does it feel?
How does it feel to be back?
How does it feel?How does it feel to be back?
How does it feel?
How does it feel to be back?
How does it feel?How does it feel to be back?
How does it feel?
How does it feel to be back?
How does it feel?How does it feel to be back?
How does it feel?
