

Toujours La Voyage

[Kevin Ayers](#)

See how she smiles
Like an affectionate child
Do not disturb do not do anything wild
Sweetly she dreams of love as a rainbowed
High on my
I won't disturb her while dreaming I'll only try
Hour by hour and minute by minute alone
The Queen of our dreams is feted and waited upon
She's the blonde and blue eyed happiness all
Come true
So sing out your song brother
But she'll only listen to you
