

Aja

Steely Dan

Up on the hill people never stare
They just don't care Chinese music under banyan trees
Here at the dude ranch above the sea Aja when all my dime dancin' is through
I run to you Up on the hill, they've got time to burn
There's no return Double helix in the sky tonight
Throw out the hardware, let's do it right Aja when all my dime dancin' is through
I run to you Up on the hill, they think I'm okay
Or so they say Chinese music always sets me free
Angular banjos sound good to me Aja when all my dime dancin' is through
I run to you
