

# Trouble All My Days

Beck

...a story I want to pass on to you that I think is...has meant a lot to me.  
He said, "Ed, you have no control over the past. It's a canceled check.

You have no control over the future because you don't know  
what's going to happen. Your maximum point of power is now!"

none-a that trouble...all my days

none-a that trouble...all my days

none-a that trouble...all my days

none-a that trouble...all my days

hey hey

hey hey hey hey!

hey hey hey hey!
