

The Woman In Me

[Shania Twain](#)

I'm not always strong and sometimes I'm even wrong
But I win when I choose and I can't stand to lose
But I can't always be the rock that you see
When the nights get too long and I just can't go on
The woman in me needs you to be
The man in my arms to hold tenderly
'Cause I'm a woman in love and it's you I run to
Yeah, the woman in me needs the man in you
When the world wants too much
And it feels cold and out of touch
It's a beautiful place
When you kiss my face
The woman in me needs you to be
The man in my arms to hold tenderly
'Cause I'm a woman in love and it's you I run to
Yeah, the woman in me needs the man in you
Yeah, the woman in me needs the man in you
