

# Smile

## U2

Gravity is not pulling me  
I won't be a picture with no sign  
Decaying, I'm praying  
You are my air but  
I need the ground to kneel upon  
And love can't be a song  
I don't want to see you smile I'm breaking it, taking it  
I'm breaking it slowly in mind  
I'm seeing it, freeing it  
I know love is in this soul of mine  
It's not in your eyes  
I don't want  
I don't want to see you smile I started, lighthearted  
It won't be easy like you said  
I'm going, flowing  
I'm leaving on the day of the dead  
I will live again  
You will live again  
I don't want to see you smile God knows it, knows me  
Knows me, knows me  
You sing, hear me love  
Say it again, burnt out blind  
The smoke machine is yours not mine  
I don't want to see you smile I will live again  
You will live again  
I just don't want to see you smile
