

Henry Darger

[Natalie Merchant](#)

Who'll save the poor little girl? Henry Darger
Who'll save the poor little girl? Henry Who'll tell the story of her? Henry Darger
Who'll tell it to all the world? Henry Who'll buy the carbon paper now? Henry Darger
Who'll trace the lines of her mouth? Henry Who will conquer foreign worlds searching for the stolen girls?
Princesses you'll never fear the patron saint of girls is here
Who will draw the cavalry in and risk his very own precious skin
To make our Angelina a free and beautiful land again? Henry Who'll love a poor orphan child? Henry Darger
Lost, growing savage and wild? Henry
