

Halloween

Mudhoney

There's somethin' shiftin' in the distance
Don't know what it is
Day as dead as night
Except for the feelin'
That's crawlin' up inside of me
As you sing your song
As you swing along, and you
It's your, your song Devil in me who makes me stare at you
As you twist up along, sing your song
And you're slitherin' up to me
You're so close, I just
Just want to touch and sing your song
And you don't know what's goin' on But you want me to come
You want me to come
You want me to come
You want me to come along
As you sing your, your song And you're fuckin' with me
Yeah, you're fuckin' with me
You're fuckin' with me
As you slither up, slither up to me
Your lips are slippin', twistin' up my insides Sing along and just a swingin' man
Singin' your song
Now, I don't know what you want
But you're lookin' at me
And you're fallin' on the ground
And you're twistin' around
Fuckin' with my, my mind
And I don't know what's goin' on Swing your song, twist it along
As you slither up to me, and it's got to be
And I don't know what you want to do
Lookin' at me with your big dark eyes
And you're rubbin' your body
Twist, twist Halloween
Halloween
Halloween
