

# I Could Have Lied

## Red Hot Chili Peppers

Advisory - the following lyrics contain explicit language:

There must be something  
In the way I feel  
That she don't want me to feel  
The stare she bares cut me  
I don't care  
You see so what if I bleed I could never change  
Just what I feel  
My face will never show  
What is not real A mountain never seems to have  
The need to speak  
A look that shares so many seek  
The sweetest feeling  
I got from you  
The things I said to you were true I could never change  
Just what I feel  
My face will never show  
What is not real I could have lied I'm such a fool  
My eyes could never never never  
Keep their cool  
Showed her and I told her how  
She struck me but I'm fucked up now But now she's gone yes she's gone away  
A soulful song  
That would not stay  
You see she hides 'cause she is scared  
But I don't care  
I won't be spared I could have lied I'm such a fool  
My eyes could never never never  
Keep their cool  
Showed her and I told her how  
She struck me but I'm fucked up now I could have lied I'm such a fool  
My eyes could never never never  
Keep their cool

Showed her and I told her how  
She struck me but I'm fucked up now
