

# She's A Lady

## Forever The Sickest Kids

I'm in love with a girl I hate  
She enjoys pointing out every bad thing about me  
I'm in love with a critic and a skeptic, a traitor  
I'd trade her in a second  
She's a backseat driver, a drama provider  
An instant update of the world  
She's a first class liar, a constant forgetter  
She's attractive but bitter  
Did you scream enough to make her cry  
To turn around, turn around?  
Baby, don't return to me  
If you think that I'm not worth your time  
She's a lady  
And ladies shouldn't be messed with  
She's a lady  
And ladies shouldn't be messed with  
Take off your shoes, come in the room  
And baby let's try not to argue  
Turn out the lights, turn on the radio  
And how can we fight when I'm too busy loving you  
I'm too busy loving you, I'm too busy loving you?  
Did you scream enough to make her cry  
To turn around, turn around?  
Baby, don't return to me  
If you think that I'm not worth your time  
She's a lady  
  
And ladies shouldn't be messed with  
She's a lady  
And ladies shouldn't be messed with  
Here I am, there you go again, again  
We will not ever be eighteen again, again  
And I'm worn out of fighting  
And every night you leave crying  
And I, I could use some time  
Here I am, there you go again, again  
So here I am and I'm dying  
And I'm waiting for you, waiting for you  
Come back, come back to me

And I'll take you gladly, well, I'll take you any time

Did you scream enough to make her cry

To turn around, turn around?

Baby, don't return to me

If you think that I'm not worth your time

Did you scream enough to make her cry

To turn around, turn around?

Baby, don't return to me

If you think that I'm not worth your time

She's a lady

And ladies shouldn't be messed with

She's a lady

And ladies shouldn't be messed with
