

Powerslave

Darkane

 Into the abyss I'll fall the eye of Horus
 Into the eyes of the night watching me go
 Green is the cat's eye that glows in this temple
 Enter the risen Osiris risen againTell me, why I had to be a powerslave?
 I don't wanna die, I'm a God, why can't I live on?
 When the life giver dies, all around is laid to waste
And in my last hour, I'm a slave to the power of deathWhen I was living this lie, fear was my game
 People would worship and fall drop to their knees
 So bring me the blood and red wine for the one to succeed me
For he is a man and a God and he will die tooTell me, why I had to be a powerslave?
 I don't wanna die, I'm a God, why can't I live on?
 When the life giver dies, all around is laid to waste
And in my last hour, I'm a slave to the power of deathNow I am cold, but a ghost lives in my veins
 Silent the terror that reigned marbled in stone
 A shell of a man God preserved a thousand ages
But open the gates of my Hell and I'll strike from the graveTell me, why I had to be a powerslave?
 I don't wanna die, I'm a God, why can't I live on?
 When the life giver dies, all around is laid to waste
And in my last hour, I'm a slave to the power of death
 Slave to the power of death
 Slave to the power of death
