

# It Ain't Right

Jess Glynne

You boiled me up to my melting point  
And your lack of love leaves me paranoid  
Oh, oh, oh oh  
And now, how the hell am I supposed to win  
When you wear me out and you spread me thin  
Oh, oh, oh oh It's like you're only here to help yourself  
Or only keep me sweet to build your wealth  
Unfortunate for you, my eyes see clear  
And then the second it goes wrong  
And darling, you'll be packed up and be gone Is it time I just let go?  
'Cause I can't do this on my own  
'Cause it ain't right, no it ain't right  
And I was never good enough  
And it ain't right, no it ain't right  
And all I ever did was love  
And it ain't right, no it ain't right  
And I was never good enough  
And it ain't right, no it ain't right  
I know I did it all for love Started strong without a care  
And as time went on you left me bare  
Oh, oh  
Blinded by your faulty truth  
It didn't take me long to see through you  
Oh, oh It's like you're only here to help yourself  
Or only keep me sweet to build your wealth  
Unfortunate for you, my eyes see clear  
And then the second it goes wrong  
And darling you'll be packed up and be gone Is it time I just let go?  
'Cause I can't do this on my own  
'Cause it ain't right, no it ain't right  
And I was never good enough  
And it ain't right, no it ain't right  
And all I ever did was love  
And it ain't right, no it ain't right  
And I was never good enough  
And it ain't right, no it ain't right  
I know I did it all for love I took off too fast  
I jumped the gun  
I would have finished last

So I, I'm shutting you down  
There's nothing I need  
When you're around Is it time I just let go?  
'Cause I can't do this on my own  
'Cause it ain't right, no it ain't right  
And I was never good enough  
And it ain't right, no it ain't right  
And all I ever did was love  
And it ain't right, no it ain't right  
And I was never good enough  
And it ain't right, no it ain't right  
I know I did it all for love
