Cold, Cold Heart

Johnny "Guitar" Watson

I tried so hard, my dear, to show
That you're my every dream
Yet you're afraid each thing I do
Is just some evil scheme
A memory from your lonesome past
Keeps us so far apart
Why can't I free your doubtful mind
And melt your cold, cold heartAnother love before my time
Made your heart sad and blue
And so my heart is paying now
For things I didnt do
In anger unkind words are said
That make the teardrops start
Why can't I free your doubtful mind
And melt your cold, cold heartYou'll never know how much it hurts
To see you sit and cry
You know you need and want my love
Yet you're afraid to try
Why do you run and hide from lies
To try, it just ain't smart
Why can't I free your doubtful mind
And melt your cold, cold heartThere was a time when I believed
That you belonged to me
But now I know your heart
Is shackled to a memory
The more I learn to care for you
The more we drift apart
Why can't I free your doubtful mind
And melt your cold, cold heart
