

That Hump

Erykah Badu

if i could get over that HUMP (mmmmm)
then maybe i will feel better
maybe I wont FALL
if I could get over that HUMP (mmmmmmm)
then maybe I willooo, Lord knows I'm,
Lord knows I'm trying..
said I'm tired (of this shyt)
this dope
but it make it better, ooh see
but its dragging me lower, hey
and I know its just (ooh)
Lord knows..
but, If I (if I could get over that HUMP)
then maybe I will feel better
maybe I wont fall (I wont)
if I could get over that HUMP, hey
then maybe I willooo oh I just, I just want to fly (far) away (far away)
ooh, I'm living check to check
Just trying to pay my rent
and I can feel it
coming down around me and these children
a boy , a little girl and
she so pretty
oohh feel me
we just need a bigger house
cupid come with a spouse, this building, building ooo
my brother's sleeping on my flo'
a bitch could us a little more yeaaw
then maybe I will feel better
maybe I wont fall (If I oohh)
if i could get over...since
we are lying here
know I want, I want, I want you boo, to knowi ain't never done dope to cope
only smoked a joint or two
betwixt me and you, boy
I know they both been through itday and night, night and day
day and night and day and night
But I cant judge nobody
cuz what if it was you

what if it was you
bring it back girl, say
what if it was you
Yooooouooooooooo
Lord knows
Lord knows I'm trying
Oooo said I'm tired yea ooh
of this dope, ooh
tired of this dope
