

I Like It

The Brand New Heavies

{Ladies and gentlemen
Welcome to the People's Summer Night Lounge in Downtown, Las Vegas
Our house band the Heavy Tones
Playing for you this evening a fabulous selection of Calypso
Brazilian music, just sit back
Enjoy your Blue Plate special and listen to the music} I'm shoutin' out to anyone
Who is affected by a funky groove
I'll tell you now, you're gonna feel it
No matter what you do, oh So let me hear you say yeah, I like it
Say yeah, I like it
Wanna hear you say yeah, I like it
Yeah, I like it You know we'll do it, 'til you're satisfied
And groove you 'til you've had enough, oh
Me and the boys be jammin'
We hope you don't mind, if we funk you up, oh So let me hear you say yeah, I like it
Yeah, I like it
Everybody say yeah, I like it
Yeah yeah, I like it I wanna hear you say yeah, I like it
Say yeah, I like it
Yeah, I like it
Yeah yeah yeah, I like it Oh yeah, I like it, yeah
Oh yeah, I like it, yeah Say yeah, I like it
Yeah, I like it
Yeah, I like it
Yeah yeah, yeah yeah, yeah yeah, yeah yeah I like it
