

Empty Vessels

[Archy Marshall](#)

Girl there's nothing to please
Can't you just lay by my side
Isn't it easy to see how I've mistaken my pride
I must be somewhere else
This whole world burnt at a thousand degrees
Baked till the earth was alight
She cowardly ran to the seas
Leaving me burning alive
With this whole fucking world
If you don't know just how
This place came to burn and sink down
With hot lead already buried in my crown
They're melting me down
I must be of some kind of worth.
And if you don't know just how
This place came to burn and sink down
With hot lead already buried in my crown
They're melting me down
We must be of some kind of worth
You play your game.

This lump slack has seen better days.
His love has parted lipps and parted ways,
She still had a vital part to play,
lookin for that darker shade.
Lookin up bathed then its aftershave.
He wants to be discreet but cant help fill the mark he placed
Upon his head, the masquerade.
Yo, he can bee seen through th
