Bunnyranch

Adam Green

Bind me, gag me take me to the bunnyranch
People dying kill me in the packing house
Even you have to win sometimes dear
Poison needle smoker, break a broken window, mind youOne kiss, two kiss, I can make it look like that
Do me Dolly, rape me in the parking lot
Even you have to win sometimes dear
Poison needle smoker, break a broken window, mind youBind me, gag me take me to the bunnyranch
Bind me, gag me take me to the bunnyranch
Bind me, gag me
