

Better Angels

[Lesley Gore](#)

It's not like I haven't tried and tried
it isn't where I look but what i find
I've been keeping clear
of stepping on the cracks
Missed just enough to keep me
coming back Oh I'm waiting for better angels
Oh im waiting for any lead
Though my case looks fatal
I'm still hoping better angels come to me Better late than not at all
Better to make the break
Than take the fall
I wouldn't mind hanging on
If I could find out
what I'm hanging from Oh I'm waiting for better angels
Oh I'm waiting for any lead
though my case looks fatal
I'm still hoping better angels come to me
