

He's A Woman - She's A Man (The Scorpions)

Helloween

I saw it walkin' lonely down the street
Cool like the cat, like crazy dream
I looked twice again, I can't believe
It turned around right then
And looked at me
I said oh no, it really couldn't be
It was a man, it was a woman, tooHe's a woman, she's a man
He's a woman, she's a (woman)I think it really came from far away
I'm feeling head uptight so I have to stay
It takes my hand and says come on, let's go
We're goin' home, she asked me to stay
He starts to move, she starts to play
I need a body, why not youHe's a woman, she's a man
He's a woman, she's a (woman)
