# What U Do To Me

## Jasmine Trias

[Hook:]Baby what you do to me
I don't know but it feels so sweet
I can't hardly stand it
So I demand that you save your love for me
Baby it's a vacancy when you're gone
There's a missing piece
I can't hardly stand it so I demand (it)
That you save your love for me
[Verse 1:]Baby, I can't hardly wait until you call me
I anticipate it all day I crave it
Just to hear your voice
"cause if I don't hear from you
All day I'll be feeling blue
Checked my phone 1000 x's to see
If your number came through
[Hook:]Baby what you do to me
I don't know but it feels so sweet
And I can't hardly stand it
So I demand that you save your love for me
(Save it all)
Baby it's a vacancy when you're gone
There's a missing piece
I can't hardly stand it so I demand (it)
That you save your love for me
[Verse 2:]It's crazy
You're just like my favorite song I sing
You're my melody in perfect key
That's why you're a good look for me
Now I don't want to be infatuated
But the feeling I can not contain it

When I think of how far we'll go
Makes me wanna love you more
[Hook:]Baby what you do to me
(whatever you do to me)
I don't know but it feels so sweet
And I can't hardly stand it
So I demand that you save your love for me
(Save your love for me)

Baby it's a vacancy wheh you're gone (Vacancy)
There's a missing piece
I can't hardly stand it so I demand (it)
That you save your love for me
[Bridge:]I don't wanna come off to strong
But I think you got me so gone
I'll come running every time you call
"cause now I want you all to myself
Time and everything else
I gotta be selfish
Save it all for me
[Hook:]Baby what you do to me
I don't know but it feels so sweet
('cause I don't know)
And I can't hardly stand it
So I demand that you save your love for me
(Save your love for me)
Baby it's a vcancy when you're gone
(When you're gone boy I can't sleep)
There's a missing piece
I can't hardly stand it so I demand (it)
(No no no no oh)
That you save your love for me [x2]
