

# What U Do To Me

## Jasmine Trias

[Hook:]Baby what you do to me  
I don't know but it feels so sweet  
I can't hardly stand it  
So I demand that you save your love for me  
Baby it's a vacancy when you're gone  
There's a missing piece  
I can't hardly stand it so I demand (it)  
That you save your love for me  
[Verse 1:]Baby, I can't hardly wait until you call me  
I anticipate it all day I crave it  
Just to hear your voice  
"cause if I don't hear from you  
All day I'll be feeling blue  
Checked my phone 1000 x's to see  
If your number came through  
[Hook:]Baby what you do to me  
I don't know but it feels so sweet  
And I can't hardly stand it  
So I demand that you save your love for me  
(Save it all)  
Baby it's a vacancy when you're gone  
There's a missing piece  
I can't hardly stand it so I demand (it)  
That you save your love for me  
[Verse 2:]It's crazy  
You're just like my favorite song I sing  
You're my melody in perfect key  
That's why you're a good look for me  
Now I don't want to be infatuated  
But the feeling I can not contain it  
  
When I think of how far we'll go  
Makes me wanna love you more  
[Hook:]Baby what you do to me  
(whatever you do to me)  
I don't know but it feels so sweet  
And I can't hardly stand it  
So I demand that you save your love for me  
(Save your love for me)

Baby it's a vacancy when you're gone (Vacancy)  
There's a missing piece  
I can't hardly stand it so I demand (it)  
That you save your love for me  
[Bridge:] I don't wanna come off too strong  
But I think you got me so gone  
I'll come running every time you call  
'cause now I want you all to myself  
Time and everything else  
I gotta be selfish  
Save it all for me  
[Hook:] Baby what you do to me  
I don't know but it feels so sweet  
( 'cause I don't know )  
And I can't hardly stand it  
So I demand that you save your love for me  
( Save your love for me )  
Baby it's a vacancy when you're gone  
( When you're gone boy I can't sleep )  
There's a missing piece  
I can't hardly stand it so I demand (it)  
( No no no no oh )  
That you save your love for me [x2]
