

Tell Me One More Time

Gareth Gates

C?mon and tell me baby, mm, mm
Do you believe in love the way that I do
And when you find the one
Wherever you go they'll travel with you
What can I say
Where do I start
To pick up the pieces
Of your broken heart
Tell me one more time
Why your heart cannot be mine
Look into my eyes and say that love has gone
And I'll be man enough to walk way
Tell me one more time
Why your dreams cannot be mine
'Cause I won't believe it's true
Until I hear it from you
Do you believe in love
There's no right no wrong, no, no
Love's just an open road
With different ways of moving on
I dare you to stay
And work this thing out
'Cause leaving is taking
The easy way out
Tell me one more time
Why your heart cannot be mine
Look into my eyes and say that love has gone
And I'll be man enough to walk away
Tell me one more time
Why your dreams cannot be mine
'Cause I won't believe it's true
Until I hear it from you
Back in my life, I want you so bad
And losing you means losing all that I had
And this is crazy so why can't you see
You're the only one that ever mattered to me
Tell me, oh baby
Look into my eyes
Love is truly gone

I will run away
Tell me one more time
Dreams cannot be mine
No, I won't believe it, until I hear it
Until I hear it from you
