Candy In The Sun

Swirl 360

Going on a field trip just like school
I'm gonna go somewhere that's really cool
Destination vacation traveling around the nationHey, the time is now to start the show
Hey, rev it up and let it go'Cos I know a place
Where the sun is always shining
And I won't forget the face
The one that's gonna keep me smilingYou're like candy in the sun
You're my angel on the run
You're like candy in the sun
Hey hey hey, hey hey heySpeedin' down the highway
With the top down
We're gonna get out of this one way townKick it into motion, got a notion
We're gonna drive all the way to the ocean, yeahHey, rev it up and let it go
Hey, crankin' up the radio'Cos I know a place
Where the sun is always shining
And I won't forget the face
The one that's gonna keep me smilingYou're like candy in the sun
You're my angel on the run
You're like candy in the sun
Hey hey hey, hey hey heyIt's time to take a chance
You know it's true
Come on, let's break away
Just me and you'Cos I know a place
Where the sun is always shining
And I won't forget the face the one
That's gonna keep me smilingYou're like candy in the sun
You're like candy in the sun
You're like candy in the sun'Cos I know a place
Where the sun is always shining
And I won't forget the face the one
That's gonna keep me smilingYou're like candy in the sun
You're like candy in the sun
You're like candy in the sun
Everyday, hey hey hey
Hey hey hey, hey hey hey
