

# Crazy for This Girl

Evan & Jaron

She rolls the window down  
And she talks over the sound  
Of the cars that pass us by  
And I don't know why  
But she's changed my mind  
Would you look at her? She looks at me  
She's got me thinking about her constantly  
But she don't know how I feel  
And as she carries on without a doubt  
I wonder if she's figured out I'm crazy for this girl  
Yeah, I'm crazy for this girl  
She was the one to hold me  
The night the sky fell down  
And what was I thinking then  
The world didn't end  
Why didn't I know what I know now?  
Would you look at her? She looks at me  
She's got me thinking about her constantly  
But she don't know how I feel  
And as she carries on without a doubt  
I wonder if she'll figure out I'm crazy for this girl  
Yeah, I'm crazy for this girl  
Right now, face to face  
All my fears, pushed aside  
And right now, I'm ready to spend  
The rest of my life with you  
Would you look at her? She looks at me  
She's got me thinking about her constantly  
But she don't know how I feel  
And as she carries on without a doubt  
I wonder if she's figured out I'm crazy for this girl  
Yeah, I'm crazy for this girl  
Would you look at her? She looks at me  
She's got me thinking about her constantly  
But she don't know how I feel  
And as she carries on without a doubt  
I wonder if she's figured out I'm crazy for this girl  
Yeah, I'm crazy for this girl
