## Ikon

Night and stars above that shine so bright  
The mystery of their fading light  
That shines upon our caravanSleep upon my shoulder as we creep  
Across the sands so I may keep  
This memory of our caravanThis is so exciting, you are so inviting  
Resting in my arms  
As I thrill to all the magic charms of youYou beside me here beneath the blue  
My dream of love is coming true  
Within our desert caravanThis is so exciting, you, you are so inviting  
Resting in my arms  
As I thrill to all the magic charms of youYou beside me here beneath the blue  
My dream of love is coming true  
Within our desert caravan  
Within our desert caravan
