Stop Me

Puggy

It hurts when I think
Heaven's on the brink
And I always let you down
When nothing is true
The lies will have to do
And I would never make a sound
Well stop me
I don't know what I should do
Well stop me
Life is wrong without you
Forgive
Me for all that I do
And I'll burn if I keep it inside
I lie and I drink
Is that what you think
And I always let you down
I ran like a thief
With all I could keep
And I never made a sound
Well stop me
I don't know what I should do
Well stop me
Life is wrong without you
Forgive
Me for all that I do
And I'll burn if I keep it inside
Inside
It hurts when I think
Heaven's on the brink
And I always let you down
Hell can be told
The truth will unfold
And I left you underground
Well stop me
I don't know what I should do
Well stop me
Life is wrong without you
Forgive
Me for all that I do

And I'll burn if I keep it inside
