

# Love In The Dark (Angelino Loren Remix)

[Adele](#)

Take your eyes off of me so I can leave  
I'm far too ashamed to do it with you watching me  
This is never ending, we have been here before  
But I can't stay this time 'cause I don't love you anymore  
Please stay where you are  
Don't come any closer  
Don't try to change my mind  
I'm being cruel to be kind I can't love you in the dark  
It feels like we're oceans apart  
There is so much space between us  
Maybe we're already defeated  
Ah-yeah-yeah-yeah-yeah-yeah everything changed me You have given me something that I can't live  
without  
You mustn't underestimate that when you are in doubt  
But I don't want to carry on like everything is fine  
The longer we ignore it all the more that we will fight  
Please don't fall apart  
I can't face your breaking heart  
I'm trying to be brave  
Stop asking me to stay I can't love you in the dark  
It feels like we're oceans apart  
There is so much space between us  
Maybe we're already defeated  
Ah-yeah-yeah-yeah-yeah-yeah everything changed me We're not the only ones  
I don't regret a thing  
Every word I've said  
You know I'll always mean  
It is the world to me  
That you are in my life  
But I want to live  
And not just survive That's why I can't love you in the dark  
It feels like we're oceans apart  
There is so much space between us  
Maybe we're already defeated  
'Cause ah-yeah-yeah-yeah-yeah-yeah everything changed me  
And I-I-I-I-I don't think you can save me
