

# Sister Named Desire (Remastered)

[Tori Amos](#)

Got a sister named Desire  
They don't let you light those little boys  
By their house on the backhand swing I know a vicar who coughs a lot  
Thought we told some little  
Sweet stories in the parking lot They say the girl lost her sway  
They say the girl lost her sway that day  
Mm mm mm mm mm mm God I'd like to drag him for a long way  
'Cause maybe I then I'd just cry a little  
Tear near to that sleepy safe place And I'm gonna take him by myself if I've got to go  
Don't let you, let you know where she goes to  
With those, me as I interfere They say that girl lost her sway  
They say that girl lost her sway that day  
Mm mm mm mm Teach me about them old worlds big brother man  
In an elevator where  
Somebody can get out with the sound They say that girl lost her sway just watch it  
Just watch it slip through my hands, boy  
Watch it go, what you know I, yes I see, just see  
'Cause she can still wring  
Na na na na na na na na
