## Chubby Checker

Hey Hey what do you say  
I love you  
I love you  
And you've got my heart  
Twisted round your finger too  
One day maybe you'll say  
I love you  
I love you  
If you don't  
I'll start telling you a thing or two  
Ar baby don't you think  
It's really time  
That you stop runnin' free  
Love somebody all the time  
What do you say  
It's me -----It's me  
It's me whoooo  
Hey Hey what do you say  
I love you  
I love you  
And I guess you know  
Who the lucky guy will be  
Hey hey what do you say  
It's me

(Group) Hey Hey what do you say  
I love you  
I love you  
And you've got my heart  
Twisted round your finger too  
Ar baby don't you think  
It's really time  
That you stop runnin' free  
Love somebody all the time  
What do you say  
It's me -----It's me  
It's me whoooo  
Hey Hey what do you say  
I love you

I love you  
And I guess you know  
Who the lucky guy will be  
Hey Hey what do you say it's  
Hey Hey what do you say it's  
Hey Hey what do you say it's me
