

# Stay

## Bernard Butler

These days are wastin' away  
The kind I'd rather save  
Don't go, stay  
Don't go, stay  
I, I hope it don't rain  
The sky is laughing again  
Don't go, stay this time  
I know I've gotta move with the times  
For you to be mine, for you to be mine  
I tried to believe what you say  
That you won't change if you just stay  
Don't go, stay this time  
Don't go, just stay this time  
You remember that fears on your side  
Good people gonna keep you alive  
You remember the tears in my eyes  
When all the things you do it blow your mind  
Don't go, stay this time  
Don't go, stay this time  
Stay, stay, don't go, stay  
Don't go, don't go, stay
