

Belt (1987, Live on Wers)

Lemonheads

Beein livin' with your shit too long
You know it gotta end
Yell to me sing your song You know it's gotta end
You just been around too long to still be my friend
Try and talk it out with you
Lets not pretend
Now's the time
Today's the day to show you what I fail to say
I gotta stick
I got some friends
This is where your story end
Right now we're gonna belt
Right now you don't look so well
That right you can't walk so well
Go on, give it a chance
May I ask for this dance
You're fucked up
