# Promise Not To Call

## Ryan Leslie

[VERSE 1:]
I think that it would maybe be better if we went our separate ways
Cause our love's just not the same and we're doin' such strange things
You don't even call no more - you're driftin' away
Sometimes I wish we could go back and relive the better days
So I think it's best if we promise[HOOK:]
I promise not to call you if you don't call me, baby, it's all right
I promise I won't - I think it's better if we don't
I won't call you no more, if you don't call me no more
Let's make that promise and maybe we can move on, girl[VERSE 2:]
Now I think it would be better if you and I spent some time apart
Cause I'm so afraid that we were wrong from the very start, baby
You don't even know no more - the reason you stay
Sometimes I wish we could go back and relive the better days
So that's why I'm makin this promise...[HOOK:]
I promise not to call you if you don't call me, baby, it's all right
I promise I won't - I think it's better if we don't
I won't call you no more, if you don't call me no more
Let's make that promise and maybe we can move on, girl[BRIDGE:]
Girl our love's so cold, it feels like winter
If we stop right now I think it's better[HOOK:]
I promise not to call you if you don't call me, baby, it's all right
I promise I won't - I think it's better if we don't
I won't call you no more, if you don't call me no more
Let's make that promise and maybe we can move on, girl[OUTRO:]
I'll say I'm not gonna call you
If you say "I'm not gonna call you"
Yeah, yeah...
