Changing

Beth

Hell down, heaven down
Livin' in the same town
Tryina find something new
Vocal beats a frame I've been frozen in tryina find a better view
This ain't real, this ain't cool
This ain't what I signed up too
This ain't right, it's no good
No good, oh
Everything is changing
And I've been here for too long
Going through the same things
I've been hurting too long, got to move on
Say I, I can't do this anymore
Everything is changing
And I know, yeah
I don't understand playing by the same hand How you find something new
I can't work it out, what it's all about
I won't live my life through you
This ain't real, this ain't cool
This ain't what I signed up too
This ain't right, it's no good
No good, yeah
Everything is changing
And I've been here for too long
Going through the same things
I've been hurting too long, got to move on
Say I, I can't do this anymore
Everything is changing
And I know
