Falling

DJ Encore

I wish you had my imagination
So you could look inside of me
And see my deepest fascination
It's driving me mad
I only want you to be

Falling for me
As I'm falling for you
We could run away
And vanish into the blue

And you'll be falling for me
As I'm falling for you
We could run away and
Escape without a clue

You could be falling
You could be falling
You could be falling for me

I wish you only trust your senses
And let me love you for all time
Just let go of your defenses

Even of the ones in the corners
Of your mind
(Your mind)

Falling for me
As I'm falling for you
We could run away
And vanish into the blue

And you'll be falling for me
As I'm falling for you
We could run away and
Escape without a clue

Falling
I'm falling for you

I am falling for you
