

# Shadow Moses

## Bring Me the Horizon

Can you tell from the look in our eyes  
(we're going nowhere)

We live our lives and we're ready to die  
(we're going nowhere)  
[repeat x2]

I thought I'd burn you  
And cover the tracks  
You'll have to take this with your coat in hand  
I thought I'd bury you  
One stick and never gone

I thought I'd cut you loose  
Sever the feeling  
Shift through the cracks  
That you clench in my shirt  
I thought I'd bury you  
One stick and never gone

Can you tell from the look in our eyes  
(we're going nowhere)  
We live our lives and we're ready to die  
(we're going nowhere)  
You can run but you'll never escape  
(over and over again)  
Will we ever see the end  
(we're going nowhere)

This is sempiternal  
Will we ever see the end  
This is sempiternal  
Over and over again and again

Run from the dead you said  
Secrets completely till the took to the grave  
Signal the siren rally the troops  
Lady's and gentlemen its the moment of truth

Can you tell from the look in our eyes  
(we're going nowhere)

We live our lives and we're ready to die  
(we're going nowhere)  
You can run but you'll never escape  
(over and over again)  
Will we ever see the end  
(we're going nowhere)

This is sempiternal  
Will we ever see the end  
This is sempiternal  
Over and over again and again
