Flaming Telepaths

Blue Oyster Cult

Well I've opened up my veins too many times
And the poison's in my heart and in my mind
Poison's in my bloodstream, poison's in my pride
I'm after rebellion, I'll settle for lies
Is it any wonder that my mind's on fire
Imprisoned by the thoughts of what to do
Is it any wonder that my joke's an iron
And the joke's on you
Experiments that failed too many times
Transformations that were too hard to find
Poison's in my bloodstream, poison's in my pride
I'm after rebellion, I'll settle for lies
Yes, I know the secrets of the iron and mind
They're trinity acts, a mineral fire
Yes, I know the secrets of the circuitry mind
It's a flaming wonder telepath
Well I've opened up my veins too many times
And the poison's in my heart and in my mind
Poison's in my bloodstream, poison's in my pride
I'm after rebellion, I'll settle for lies
Is it any wonder that my mind's on fire
Imprisoned by the thoughts of what to do
Is it any wonder that my joke's an iron
And the joke's on you
And the joke's on you
And the joke's on you
And the joke's on you
