

# Missing You

Paula Abdul

Everybody's got to cry sometimes  
I never understood the reason why  
Suddenly the answer is so clear  
I'm missing you  
Never thought that we would end this way  
And if I only had three words to say  
They would simply flow so easily  
I'm missing you  
Casa blanca and white orchids  
I sent to you  
Just a symbol of hope  
That you still love me too  
I'm missing you, baby  
I'm missing you, honey  
(I'm missing you)  
We can't be through  
'Cause I'm missing you, darlin'  
(I'm missing you)  
Everybody's got to hurt sometimes  
I always ask myself the question why  
Now my pain easily explains  
I, I long for you  
If I had a chance once again  
I'd approach us like a love song  
So tenderly I'd orchestrate us to be  
Us  
And I'm sending romantic cards  
To remind you of us  
Just a token to entice you to  
Come back to love  
  
I'm missing you, baby  
I'm missing you, honey  
(I'm missing you)  
A love so true  
'Cause I'm missing you, darlin'  
(I'm missing you)  
Baby, I will take the blame  
So let's stop playing silly games

If it will bring you back to me  
Baby, I'll say I'm sorry  
I will gladly sacrifice  
To have you back in my life  
I'm beggin' you honey please  
Please come back to me  
(Darlin')

Everybody's got to cry sometimes  
I never understood the reason why  
Now the answer is so clear to me  
I'm

I'm missing you, baby  
I'm missing you, honey  
(I'm missing you)  
We can't be through  
'Cause I'm missing you, darlin'  
(I'm missing you)  
I'm missing you, baby  
(Everybody's got to cry sometimes)  
I'm missing you, baby  
(And the answer is so clear to me)  
I'm missing you
