

Ladino Song

Oi Va Voi

Yo me enamorÃ© de un aire
De un aire de una mujer
Una mujer muy hermosa
Linda de mi corazÃ³n
Yo me enamorÃ© de un aire
Linda de mi corazÃ³n Yo me enamorÃ© de noche
En luna ella me engaÃ±o
Si esto era de dÃ-a
Yo no daba amor
Yo me enamorÃ© de noche
Yo no daba amor If I fall in love
Sun above me love
It won't be by moonlight
Won't be by moonlight
Moonlight, moonlight Si otra vez me enamoro
De un aire de una mujer
De una mujer muy hermosa
Linda de mi corazÃ³n
Si otra vez me enamoro
Sea de dÃ-a con sol If I fall in love
Sun above me love
It won't be by moonlight
Won't be by moonlight
Moonlight, moonlight Oh If I get to you
All I'm wanted to
It won't be by moonlight
Won't be by moonlight
Moonlight, moonlight Won't be by moonlight
Moonlight, moonlight
Won't be by moonlight
Moonlight, moonlight
