

How Bad Could One Kiss Hurt

[Dylan Schneider](#)

Baby, I've been lookin' at you, maybe I'm, crazy
But, it looks like you're lookin' at me too
Why don't we take this party out onto them backroads
Find a little spot nobody else knows
And Why don't you slide on over
Why don't you take my hand
Why don't you close your eyes and lean on in
And take a chance
I ain't askin' for a lot and I know it's a long shot
But I can't help but wonder
How bad could one kiss hurt
How bad could one kiss hurt Gotta a little something low, bumpin' on the radio
Your favorite song, I could do this all night long
You get me higher every time your eyes meet mine
Your eyes meet mine
Why don't you slide on over
Why don't you take my hand
Why don't you close your eyes and lean on in
And take a chance
I ain't askin' for a lot and I know it's a long shot
But I can't help but wonder
How bad could one kiss hurt
How bad could one kiss hurt
