

I'll Be Back

The Buckinghams

I'll Be Back
The Buckinghams
You know if you break my heart I'll go, but I'll be back again
'cause I told you once before goodbye
But I came back again. I love you so I'm the one who wants you
Yes I'm the one who wants you
Ahh
You could find better things to do than break my heart again
This time I'll try to show that I'm not trying to pretend I thought that you would realize
That if I ran away from you, you would want me too
But I got a big surprise
Ooooh I
You know if you break my heart I'll go but I'll be back again
I'll come back now
I'll be back back again
I'm coming back
I'll be back again; I'm coming back
I'll be back be back again, I'll be back now, I'll
