

Unanswered

Suicide Silence

How much must I curse your name?
And put your beliefs into shame?
Before you prove yourself and end this life?
End this life

And I'll say a fucking prayer
Because I know it won't be answered
Where is your God?(x2)
Where is your fucking God?

And even though I don't believe in you
I pray for the day (x2)
That you end this life

So please
Take me
Away

I want the hand of Lord
To come and strike me down(x2)

Where is your God?(x2)
Where is your fucking God?

For all the prayers that go unanswered

For all the prayers that go unanswered
Why do you think that is?
For all the families that waste their time
Open your eyes

And all your prayers will go
Unanswered

Why do you think that is?
For all the families that waste their time
Open your fucking eyes
