All My Love

Sevyn Streeter

[Intro]
I-I'm saving all the love
I'm saving all the love for you (for you, I...)
I'm saving all the love
I'm saving all the love for you[Verse 1]
Ridin' round town in your black Impala
With my baby, yeah, that's my partna
Look the other way when they tryna holla
So unbothered, we're so unbothered
See other n***** slidin' in my DMs
Stevie Wonderin' about I'ma ever see 'em
But I don't pay that s*** no mind
No, I don't pay that s***, no doubt, no doubt
I just curve 'em, call me a.m. to the p.m
Oh, baby, you're the reasons
That none of these n***** can touch me
Ain't none of these n***** kept lookin'
No, no, no, no, no[Bridge]
Only you, yeah, it's only you that get my attention
Only you, I swear it's only you, ain't no competition, no
'Cause, baby, you give me everything that I've been missin'
That's why I'm saving all my love for you[Hook]
(I'm saving all my love...)
Yeah yeah, saving all my love
Saving all my love for you
(I'm saving all my love...)
Saving, saving all my love, I'm saving all my love for you
I ain't nobody else, you got it all to yourself
Just keep doin' what you doin', baby
And I'ma keep saving all my love for you
Saving all my love for you, saving all my love for you
(I- I'm saving all the love
I'm saving all the love for you)[Verse 2]
Yeah, if I had a hundred I would break you off a fifty
I know you'd do the same, I know you'd split it with me
Yeah, all ya team....
Long as we got each other, I ain't trippin'
You the one, you the realest, you the realest[Bridge]
Only you, yeah, it's only you that get my attention

Only you, I swear it's only you, ain't no competition, no
'Cause, baby, you give me everything that I've been missin'
That's why I'm saving all my love for you[Hook]
(I'm saving all my love...)
Saving, saving
Saving all my love
Saving all my love for you
(I'm saving all my love)
Saving all my love, saving all my love for you
You got it all to yourself
Just keep doin' what you doin', baby
And I'ma keep saving all my love for you, oh (oh yeah)
Saving all my love for you, saving all my love for youAll... my.... love... for you
All... my.... love... for you
You got it all to yourself
Just keep doin' what you doin' baby, yeah yeah
You got it all to yourself
Just keep doin' what you doin' baby, doin' what you doin' baby, yeah
You got it all to yourself
Just keep doin' what you doin' baby, doin' what you doin' baby, yeah yeah
You got it all to yourself
Just keep doin' what you doin' baby, doin' what you doin' babyOh, what you do to me, baby
Oh, what you do to me, baby[Outro]
I- I'm saving all the love
I'm saving all the love for you (for you, I...)
I- I'm saving all the love
I'm saving all the love for you
